

The Everything DiSC Train the Trainer Program

Everything DiSC Train the Trainer program is classroom training that combines online pre-work and engaging facilitation with follow-up material to create a personalized learning experience.

Using the third generation of the DiSC® assessment – a research-validated learning model- participants understand and appreciate the styles of the people they work with. The impact is more effective and productive working relationships.

With the Everything DiSC Workplace, you will:

- Identify and gain insight into the behavioral styles
- Leverage knowledge of DiSC styles to avoid conflict and improve communication
- Build cooperative teams and inspire innovation
- Encourage inclusive and respectful behaviors

Everything DiSC Workplace can be used with everyone in an organization, regardless of title or role, to improve the culture of the workplace as people learn to communicate and work together more effectively.

1. The Basics of DiSC®

DiSC® is a model of human behavior that helps people understand “why they do what they do.” The [DiSC dimensions of behavior](#) (**Dominance, influencing, Steadiness, and Conscientiousness**) make up the DiSC model and interact with other factors to describe the typical behavioral styles of individuals. Organizations worldwide have embraced the language of DiSC to pave the way for successful **training, coaching, and consulting** applications.

With 30 years of proven reliability and over 40 million users worldwide, DiSC® remains the most trusted and most widely used learning instrument in the industry. Everything DiSC increases engagement and brings out the best in your employees!
